

**Expanded Services for Our
Non-Indian Members of Indian Households
Effective January 1, 2016**

United Indian Health Services, Inc. (UIHS) is excited to offer **more** services to our families; which include Dental, Vision, and Behavioral Health care. These services are available to Non-Indian members of an Indian Household **after** completing the UIHS registration and insurance verification process.

Our Member Services Section is available during regular business hours for any questions on how these services may affect you and/or your family members.

NEW REQUIRMENTS

Medical Insurance: All eligible Non-Indian members will be **REQUIRED** to have MEDICAL INSURANCE to be ELIGIBLE for **any** services at UIHS (including medical services) effective January 1, 2016.

If you do not already have medical insurance, UIHS will assist you in applying for coverage. Please call and schedule an appointment to enroll for insurance by January 31, 2016.

Payments & Fees: All eligible Non-Indian members are responsible to pay **any** insurance **CO-PAYMENTS** at check-in before your appointment.

If you do not have dental or vision insurance coverage, a **VISIT FEE** (yet to be determined) must be paid when you check-in before your appointment. A visit fee will be applied to all visits which are not covered by medical insurance (i.e. dental, vision, behavioral health).

Medical Laboratory Testing Fees: Medical outside laboratory testing fees will be billed directly to our clients by our contracted laboratory service provider, LabCorp.

Dental and Vision Laboratory Fees: This is a separate fee from the office visit and is associated with outside laboratories. These payments will be collected at the service section. Clients will be asked to provide 50% down before an order is placed and the balance due at delivery.
