MADISON FLYNN

My name is Madison Flynn and it is with great passion and enthusiasm that I respectfully submit my candidacy to serve on the United Indian Health Services Board of Directors Area 3. I was born and raised in Humboldt County, grew up on the Table Bluff Reservation in Loleta and have resided in Rio Dell for the last ten years. I am an enrolled member of the Wiyot Tribe and currently serve as a Councilperson on the Wiyot Tribal Council.

As a patient with United Indian Health Services, I have had the experience of the service people receive and know how important it is to them. I want to help ensure that the Board of Directors continues to focus on balancing the competing priorities and challenges it faces today, and in the future, while also focusing on the principle purpose of providing high quality health care to our community.

I look forward to working with the current and new leadership to build an even more effective and unified voice for our people. As an Indian Community Representative, I hope to bring my education, drive and dedication to the Board of Directors. I firmly believe that we all share the same goal- to serve our communities and people with excellence and pride. As we look to the future, our long-term sustainability in healthcare will be predicted upon our ability to a changing environment. It would be a privilege to be your Area 3 representative and ensure your voice is being heard.

LORNA JOHNSON STANLEY

Me Yah Whae – Hello, my name is Lorna Johnson Stanley. It has been my immense pleasure to serve as your Area 3 representative this last term. I am a tribal member of the Agua Caliente Band of Cahuilla Indians which is located down in Palm Springs, California. I made the move to Humboldt County in 2013 and was seated to the Board of Directors in 2015, which is when I learned I was not the only Native to move away from home but so had 51% of UIHS' membership. It's not hard to see why, the culture is rich and the land is beautiful. I may not have grown-up here but my roots are being set; I'm happy to call this place home.

Never would I have imagined an opportunity would open to me. Serving on the Board of Directors has been life changing, it's broken boundaries and pushed me further than I thought I could go. Seeing the determination, dedication and love that was put into establishing this organization can do nothing else. I've taken time to learn from those who've served with me about the organization and this area. I've put in the work to know this organization to have a strong foundation to stand on when serving. It's my hope to hear and fulfill more of my community's needs and wants. I hope to have the opportunity to reach more people and truly bring the voice of our members into the future of UIHS. Achama. Sincerely, Lorna

TRACY MAHONEY

My name is Tracy Green-Mahoney, and it is my goal to continue to advocate for the health and well-being of our community by serving as the Area 3 Representative on the UIHS Board of Directors (Area 3: Arcata, Eureka, Table Bluff, and all points South within Humboldt County). I am of Karuk, Tolowa, and Chetco descent and a member of the Yurok Tribe. I am 49 years old: a wife, mother, grandmother, and lifelong resident of Humboldt County. I was raised with a strong example of community-service and have a strong desire to continue the tradition of my predecessors, Awok Bonnie Green and Awok Elsie Bacon. I have extensive experience advocating for the rights of our local Native Youth within the education system. I have served on the Policy Council for the Yurok Tribe Head Start (Community Representative for the Worthington Site). Additionally, I have held the position as youth Chair and Vice-Chair for the Eureka City School District Indian Education PAC Title VII Committee on a voluntary-basis for over 10 years. I have always felt a responsibility to stand-up and be a voice for others. I believe this is why I have been encouraged to run for this position on the Board of Directors by family and community members. I hope to continue this duty and respectfully request your vote.
