PURPOSE & SUMMARY

United Indian Health Services, Inc. (UIHS):

United Indian Health Services, Inc. has been providing comprehensive healthcare services to eligible Indian clients and their families since 1970. Cheryl Yarbrough Memorial Scholarship:

A lifelong resident of McKinleyville, Cheryl was born on February 11, 1982, under the care of UIHS. As a child, she came into the Trinidad clinic for her check-ups, coughs, and colds, and it was here that she started to develop an interest in the Medical profession. At the suggestion of one of the providers, Cheryl began to pursue a certification in medical assisting.

Proud of her American Indian Heritage, Cheryl blossomed culturally, emotionally, and professionally while working as a Medical Assistant at United Indian Health Services. She was truly loved and respected by clients and staff alike. She took great pride in her work and in the role that she played in helping to provide the American Indian Community with outstanding health care.

This scholarship presents a unique two-fold opportunity. It provides a living reminder of who Cheryl was and it also helps to embody and exemplify virtues that helped define her as a person.
