United Indian Health Services, Inc. (UIHS) is proud to announce that the Annual "May-Gay-Tolh-Kwe" Youth Summer Camp is scheduled to be held **Tuesday, July 9 - Friday, July 12, 2024 at Sue-meg State Park in Trinidad, California.**

"May-Gay-Tolh-Kwe" Youth Summer Camp 2024 will provide a safe and positive camping experience for American Indian youth. During camp, youth will be introduced to local cultural traditions and have the opportunity to participate in many activities that promote and encourage healthy lifestyle choices. All activities will be based on values inherent in our American Indian community, and will include topics such as diabetes prevention, building self-esteem, nutrition, and other wellness related presentations.

Campers will meet other American Indian youth from our community and together they will experience four days of fun, healthy, and educational activities. Cultural activities such as necklace making, storytelling, traditional games, and more will be introduced during summer camp. Youth will also participate in daily hikes, nature walks, and various sports activities.

All American Indian youth ages 9-11 that are registered at UIHS are eligible to participate. The summer camp will be limited to the first 80 eligible youth who submit the camper registration packet. Registration is based on a first come first serve basis with a priority for those clients who live within the UIHS service area.
